

PROFILE

Product Designer with 7+ years shipping polished, end-to-end product experiences across web and mobile in fintech, marketplace, and SaaS. Operating at senior scope — owning 0-to-1 initiatives, mentoring designers, and driving design system decisions across cross-functional teams. Fluent with modern AI-native design workflows, and recently designed an AI-powered internal tool at Wells Fargo. Based in Bengaluru and available immediately.

EXPERIENCE

May 2026 — now

Independent Product Design

Bengaluru · Freelance

- Took on select freelance product design projects while transitioning to a full-time role, maintaining hands-on craft and staying current with AI-native design tools and workflows.

Feb 2024 — May 2026

Product Designer

Wells Fargo · Bengaluru

- Designed and shipped an AI-powered internal tool (0→1) for Product Managers to search code and documentation, with clear uncertainty states and source transparency — delivered in under 3 weeks.
- Owned end-to-end redesign of financial health surfaces on the public site and contributed to the enterprise design system, ensuring consistency at scale.
- Enhanced bill payments UX and mentored designers while supporting the legacy-to-modern platform migration.

Jun 2022 — Jan 2024

Product Designer

Cars24 · Bengaluru

- Led end-to-end design for the Cars24 dealer app — research through high-fidelity delivery across iOS and Android — improving TAT, NPS, and conversion.
- Designed and shipped a secure Challan payment flow (0→1) with strong trust states — 16k+ visitors and 4.4k payments in the first 8 days.
- Owned the Refer & Earn system (0→1, mobile) and optimized the Sell Online flow, contributing to a 21% increase in cars listed on the platform.

Apr 2021 — Jun 2022

Product Designer

Klubworks · Bengaluru

- Led design for Klub's patron platform, translating complex syndicate financing flows into an intuitive, visually consistent product experience.
- Redesigned the company website end-to-end, aligning the experience with brand guidelines and improving clarity for prospective patrons.

Nov 2019 — Apr 2021

UI/UX Designer

Spottabl · Bengaluru

- Led design across the admin platform, SaaS hiring product, and consumer platform — establishing one consistent design vocabulary and system across three products.
- Owned end-to-end design for social media, marketing assets, and a full website revamp.

Jun 2019 — Oct 2019

UI/UX Designer

Grextar · Bengaluru

- Conceptualized and designed a tenant-friendly dashboard for rent monitoring, event updates, amenities, and community interaction on a co-living platform.
